

Reducing food losses by 15% would be enough food to feed 25 million Americans every year

1 in 6 Americans lack a secure supply of food to their tables

Donate

Become a Food Rescuer

Restaurants, Companies, Farms, & Markets can donate food with no restrictions in type, quantity, or frequency. All donations are tax deductible and protected by the Good Samaritan Law. Participants will be provided a Food Donation Receipt and receive recognition for your donation through on-line postings!
