Angelica Quintero / @latimesgraphics
“We predict more plastic than fish in our oceans by 2050”.

Taken from a recent report from the Ellen MacArthur Foundation + World Economic Forum
If all the plastic in US landfills were converted to liquid fuel, it would power all the cars in Los Angeles for a year.
15,000 bottles
WE ARE TRANSFORMING YOUR PLASTIC BOTTLES INTO ART!

synthesis

A poster for an event titled "synthesis" mentioning an exhibition and silent auction by CPCC students in sculpture. The event is scheduled for May 7th, 6 to 9 PM.

The poster includes details about the location, the art pieces being showcased, and instructions for participants. It also mentions the goal of the silent auction, which is to support future stewardship efforts of Haw Creek, located near the Double Creek-Masonic Outreach Center.
