Conference Agenda

Uncovering Federal and State Funding Opportunities

An overview of timely local government funding opportunities, and how they may be stacked, in the areas of Economic Development, Water Quality, Brownfields, and Clean Energy.

Clean Energy, Economic Development, and Water Quality: Discussion of Local Case Studies

A discussion of the environmental and economic considerations of both small and large-scale clean energy in the Mid-Hudson Region, including local case studies and their interplay with local governments and other stakeholders.

Awards Celebration

- **Building Bridges Award:** Recognizing those that have demonstrated a significant commitment to collaboration and partnership.
- **Momentum Award:** Recognizing those that have achieved notable milestones in a remarkably brief timeframe.
- **Impact Award:** Recognizing a recipient whose project has far-reaching impact.
- **Resilience Award:** For fostering community resilience through proactive initiatives.
